A conference on

# Broader Scape of Urbanisation and life in South Asia

Organized by the MA students of SAI

July 13

15:00 – 17:00

South Asia Institute

Im Neuenheimer Feld 330

Heidelberg University

A detailed architectural sketch of a dense urban settlement, showing a complex arrangement of buildings with various rooflines, courtyards, and narrow passages. The drawing uses fine lines and cross-hatching for shading and texture.
