Statement of authorship

I hereby affirm that I wrote this paper independently and that all resources used are specified. Citations as well as the use of external sources, texts and aids are clearly indicated in the text and footnotes, according to the conventions of academic referencing. I am aware that I am not allowed to portray someone else's text as my own, and that to do so is a violation of the basic rules of academic conduct and academic honesty, which constitutes an attempt to deceive and defraud. I acknowledge that such conduct will result in the failure of this assessment item.¹

In addition, I acknowledge that this paper may be submitted to a plagiarism detection software for purposes of identification of the above.
